

# **Soaring Eagles Summer School**

## **2026 Sessions**

### **June 1-5 - Out of This World Adventures**

Blast off into a week of discovery as students explore the wonders of space! From planets and stars to rockets and constellations, students will engage in hands-on activities, creative projects, and interactive lessons that spark curiosity about the universe!

### **June 8-12 - Color Outside the Lines**

Let your creativity run wild!

We will explore art in every way - Painting, drawing, creating, and designing - while experimenting with colors, textures, and ideas! Creativity has no bounds!

### **June 15-19 - Batteries Not Included**

Unplug and play!

This week is all about classic fun with board games, team challenges, and group activities. Students will build teamwork, strategy, and sportsmanship skills while enjoying screen free entertainment!

### **June 22 - 26 - Cuisine Camp**

Young chefs will mix, measure, and create delicious treats in this hands-on culinary experience. Students will learn basic cooking skills, kitchen safety, and explore a variety of recipes while having fun preparing — and tasting — their own creations.

### **June 29 - July 3 ~ No Summer Enrichment**

### **July 6-10 - Rodeo**

Saddle up for a rootin'-tootin' good time!

We will experience the spirit of the rodeo through western-themed games, crafts, music, and food. From learning about cowboy culture to participating in fun challenges, this week is sure to be full of excitement and adventure.

### **July 13-17 - National Parks Adventures**

Get ready to discover the beauty of nature!

This week of adventure will be full of exploration, and fun in the great outdoors while we learn about national parks, wildlife, and ecosystems.
